

# Work That Matters

## At WorkSafeNB, we care about New Brunswickers and their safety.

Our work is founded on one basic principle: the client is the priority. We treat each worker, each employer, each claim and each workplace incident and inspection with the utmost care - and we care about our people - employees who share our passion.

### The work we do is important - and so are the people we do it for.

We help employers make workplaces safe and we help workers injured on the job recover safely. Whether they are workers or employers - we take pride in providing client-focused service in all our areas of expertise.

Our core business areas include: prevention, claims, disability management, rehabilitation services and the support areas of administration, communications, finance, human resources, information management, legal services and policy development.

At WorkSafeNB, we offer career opportunities in a wide range of fields across the province, with offices in Saint John, Grand Bay-Westfield, Fredericton, Dieppe, Bathurst and Grand Falls.

Whether you are just starting out or want to build on years of experience and think WorkSafeNB fits your values, your life and your career goals, we encourage you to apply today.

## Why do people stay at WorkSafeNB?

We rely on great employees to be successful. We value diversity, innovation, teamwork and we foster mutual respect, and integrity. We have talented employees who work hard, so we work hard to ensure they're happy.

## Our Culture

We're dedicated to providing quality care and support to New Brunswick employers and injured workers. We do this by focusing on continuous improvement, change management, skills development, and safety leadership. Our staff are instrumental to our efforts in these areas and we make sure they know how valued they are.

We have a number of committees focused on wellness, health and safety and sports and recreation. Our staff enjoy playing together as well working together.

Our dedicated employees are not only champions for health and safety in the office, but also out in the community. Many of our employees engage with their communities through various charity and volunteer efforts.
